

# GLASS SINK LIMITED WARRANTY

AmeriSink carries a limited one-year warranty on glass sinks to be free of manufacturing defects under common use.

AmeriSink will replace without charge (excluding labor) any glass sink that is proven to be defective, to the original owner, provided it has been used solely in a household application and installed in accordance with the installation Instructions, not damaged due to misuse, abuse or negligence, cleaned and used as recommended and as usual for a kitchen sink.

Prior to replacement, AmeriSink has the right to inspect any complaint sink. Replacement cost do not cover transportation and any labor costs for removal, reinstallation or worktop defect's caused by dismounting the sink. Made decisions are final decisions.

Defects which are covered by the warranty:

- Surface blemishes
- Bubbling
- Inconsistent color within the sink

AmeriSink shall not liable in case of:

- Damages due to wrong installation or misuse or abuse
- Damage caused by abnormal environmental conditions, such as outdoor location
- Deliberate or negligent damage
- Use-related scratches and marks
- Storage and handling cost
- Common signs of wear
